**JSA YEAR IN REVIEW (JUL 2021 – JUN 2022) \*Updated semi-annually**

Over the past 12 months, JSA deployed nearly \$1 billion in next-generation fuel-efficient aircraft financing. The company has remained dedicated to its long term growth plans and continued to focus on helping our customer base adapt to the improving market demand and business opportunities globally. JSA continued to reposition used aircraft to new customers, accelerated its Boeing 737 MAX-8 orderbook placement activity and continued offering flexible, fast and reliable financing solutions for new acquisitions. We have a long-term commitment to the assets and customers we invest in, primarily focusing on new technology aircraft, and pride ourselves on having one of the most fuel-efficient fleets in the aviation finance industry. In addition to our contributions on the sustainability front, JSA is focused on enhancing its DE&I and a multitude of employee learning initiatives. We strongly believe in the importance of our global team sharing different perspectives and leveraging on one another's strengths, to devise the best solutions to meet our customers' evolving needs worldwide. We look to 2023 and beyond with great optimism and excitement as we continue a growth trajectory.
